

Welcome to YMCA Pop Warner!

We are excited about our inaugural season this fall and look forward to a fun and competitive program for all!

As July approaches we wanted to touch base with all our players and their families with 3 key notes and reminders.

Training Camp

- Due to the school start date being moved up in August we will be not having training camp August 16-21st. We know that having training camp the first week of school would be very challenging for children and parents so we have changed the dates of Training Camp to August 9- 13th.
- The cost is \$30 and includes a Pop Warner T-Shirt and 5 nights of practice (6-8pm). The final night of training camp is a family fun night for the entire family- August 13th.
- The training camp brochure will be available on July 15th on the popwarnerymca.org website, and at any Asheville YMCA (Downtown, Woodfin, Reuter).
- Training Camp registration can be done at any Asheville YMCA.
- **WIN a free training camp week by referring a friend to register for Pop Warner!** The person must not already be registered for Pop Warner and must tell us that you have specifically referred them!

Volunteer Time

To ensure success each parent and/or guardian of a participant will be required to serve as a volunteer in the program. If you have not done so already we need to know what area(s) you would like to be involved in. There are an array of opportunities for everyone. [Please click here to answer 4 questions letting us know what you would like to be involved in by July 5th](#). Once our complete list of volunteers is created we will begin the process of assigning roles and be in touch with all parents.

Ensure Your Registration
